Masport AVA Pressure Cleaners and Accessories

Part #	Product Name	Description	Exclusive Stockist Price	RRP
Kits				
11-300-702	AVA Car, Boat and Caravan Care Kit	This kit allows gentle and efficient cleaning with the AVA Mop and Rim Brush. The Accessory Swivel changes the direction of the spray pattern from horizontal to a vertical spread, which makes it perfect for cleaning of walls, cars and any vertical surfaces.	\$82.09	\$129.00
11-300-704	AVA Starter Kit	This Masport AVA Starter Kit lets you use AVA equipment on many other brands of pressure washers. This kit will fit most Kärcher (with the included adapter), Nilfisk, Bosch, Stihl, Husqvarna and Makita pressure washers. Includes: Zero Force Gun, Zoom Lance, AVA to Kärcher Adapter and Vario Nozzle (20°- 60°)	\$101.18	\$159.00
11-300-103	AVA Pipe and Gutter Cleaning Kit	The Pipe and Gutter Cleaning Kit makes unclogging of pipes and gutters fun and easy. AVAs 135° lance ensures easy access to your gutters from below while the pipe cleaning hose with rotating nozzle ensures efficient and thorough cleaning of pipes and drains. Includes: 10 Metre Pipe Cleaning Hose and 135° Angled Lance	\$101.18	\$159.00
11-300-106	AVA Patio Cleaner and Brush Kit	The Masport AVA Patio Cleaner and Brush Kit gives excellent results on more than just your patio, it can be used on most flat surfaces like wooden decks, pavements, brickwork and facades. Includes: Premium Patio Cleaner and Large Brush	\$101.18	\$159.00
All trade/dealer buy prices exclude GST. RRP (Retail) pricing includes GST.				

Masport AVA Pressure Cleaners and Accessories

Part #	Product Name	Description	Exclusive Stockist Price	RRP
Kits				
11-120-151	AVA Sand Blasting Kit	<p>The AVA sandblasting kit is a great alternative to harsh chemicals, scrubbing or sanding by hand. With this kit, you can turn your pressure washer into a sandblasting machine.</p> <p>Rust, paint, varnish, cement, grease and dirt can all be rapidly blasted away from hard surfaces such as metal, stone and concrete, using a mix of pressurised water and blasting media. A big advantage of wet sandblasting is that it is largely dust free, making it safer for the user, plus the surface remains cooler while blasting, preventing warping and discolouration.</p> <p>The sandblaster features a high-quality hose, metal sand spear and a durable carbide nozzle. Usually found in professional units, the durable carbide nozzle is extremely hard wearing and long lasting, making it easy to sandblast like a pro.</p>	\$101.18	\$159.00
Lances				
11-110-124	90° Angled Lance	The 90° Angled Lance ensures easier access when cleaning gutters, pipes, corners or underneath your car. Fits pressure cleaners 130-160 bar	\$60.42	\$94.95
11-110-125	135° Angled Lance	The 135° Angled Lance is perfect for cleaning hard to reach gutters and all other nooks and crannies that prove troublesome for a standard lance. Fits pressure cleaners 130-160 bar	\$60.42	\$94.95
All trade/dealer buy prices exclude GST. RRP (Retail) pricing includes GST.				

Masport AVA Pressure Cleaners and Accessories

Part #	Product Name	Description	Exclusive Stockist Price	RRP
Lances				
11-110-112	Flexi Lance	With the Flexi Lance you have unmatched flexibility when pressure cleaning under the car, in the gutter or the wall. The Flexi Lance gives you the ability to adjust the angle of the lance by pushing the handle back or forward to get the best working angle. Compatible with all AVA equipment with a male bayonet.	\$133.64	\$210.00
11-110-113	Telescopic Lance	The Telescopic Lance is over four metres in length when fully extended and has an adjustable nozzle angle. It is suitable for working at heights up to five metres. Adjustable soap dispenser is integrated and valuable when attaching the AVA Foam Cannon. The Flexi Lance has a Zero Force trigger and the lance is easy to adjust. Includes a shoulder strap for prolonged use.	\$158.45	\$249.00
Brushes				
11-110-303	Rim Brush	Rim Brush with low pressure water flow. Designed for easy and efficient cleaning of wheels and rims. Compatible with all Masport AVA high pressure washers.	\$23.51	\$36.95
11-110-119	Medium Brush	Medium Brush with 40° high pressure nozzle. Suitable for gentle treatment of most surfaces. Compatible with all Masport AVA high pressure washers.	\$31.79	\$49.95
11-110-120	Large Brush	Facade Brush with three 60° high pressure nozzles. Suitable for gentle treatment of most surfaces. Compatible with all Masport AVA high pressure washers.	\$44.51	\$69.95
All trade/dealer buy prices exclude GST. RRP (Retail) pricing includes GST.

Masport AVA Pressure Cleaners and Accessories

Part #	Product Name	Description	Exclusive Stockist Price	RRP
Vario Nozzle				
11-120-120	Vario Nozzle 110-145 bar	Enables switching between a 20° spread to a 60° spread with just a twist grip. Perfect for cleaning different surfaces in the same area. The two vario nozzles can also be combined to produce a low-pressure spray. 20°/20°+60°/60° Nozzle. Fits 110-145 bar pressure cleaners.	\$33.70	\$52.95
11-120-119	Vario Nozzle 150-170 bar	Enables switching between a 20° spread to a 60° spread with just a twist grip. Perfect for cleaning different surfaces in the same area. The two vario nozzles can also be combined to produce a low-pressure spray. 20°/20°+60°/60° Nozzle. Fits 150-170 bar pressure cleaners	\$33.70	\$52.95
Turbo Nozzles				
11-120-131	Turbo Nozzle 110-145 bar	Rotating high efficiency nozzle. Combines the power of a 0° nozzle with the coverage of a 20° nozzle. Makes the cleaning process a lot quicker. Fits 110-145 bar pressure cleaners.	\$33.70	\$52.95
11-120-132	Turbo Nozzle 150-170 bar	Rotating high efficiency nozzle. Combines the power of a 0° Nozzle with the coverage of a 20° Nozzle. Makes the cleaning process a lot quicker. Fits 150-170 bar pressure cleaners.	\$33.70	\$52.95
Hoses				
11-110-422	Self-Priming Hose	Self-priming hose with check valve and coarse filter. Designed for suction of water from a bucket, well or other sources in the absence of mains water. 3 metre length.	\$41.33	\$64.95
All trade/dealer buy prices exclude GST. RRP (Retail) pricing includes GST.				

Masport AVA Pressure Cleaners and Accessories

Part #	Product Name	Description	Exclusive Stockist Price	RRP
Hoses				
11-120-420	10m Pipe Cleaning Hose	10 metre stiff fibre reinforced pipe cleaning hose with rotating nozzle head. Designed to open clogged pipes and remove debris from drain pipes. Fits all AVA and Kärcher pressure washers.	\$82.09	\$129.00
11-120-403	20m Steel Reinforced Pressure Hose	20 metre steel reinforced high pressure hose. Max 160 bar. Used to extend the reach of all AVA pressure washers. Professional quality and high-grade rubber ensures high flexibility and a long lifetime. These hoses don't suffer from coiling and kinking as is often the case with cheaper alternatives and are the right choice for daily or frequent use. Comes with AVA male quick connect in one end and AVA female quick connect on the other side. Fits all Masport AVA pressure washers and most Nilfisk, Makita, Bosch, Stihl and BLACK+DECKER.	\$158.45	\$249.00
Other Accessories				
11-110-304	Microfibre Mop with Waterflow	Mop with waterflow for careful cleaning with interchangeable microfibre cloths	\$40.06	\$62.95
11-110-307	Universal Microfibre Pads	4 Pack Interchangeable Microfibre Pads for the AVA Mop with Waterflow	\$40.06	\$62.95
All trade/dealer buy prices exclude GST. RRP (Retail) pricing includes GST.				

Masport AVA Pressure Cleaners and Accessories

Part #	Product Name	Description	Exclusive Stockist Price	RRP
Other Accessories				
11-120-307	Foam Cannon	The AVA Foam Cannon creates a thick layer of foam that clings longer to even vertical surfaces. Fits 110-160 bar pressure cleaners and most 1 litre bottles fit directly on to the foam cannon. 0.8L bottle included. Adjustment range: 1-20% detergent.	\$26.41	\$41.50
11-110-310.3	Car Care Bucket	Sometimes it is necessary to use physical contact to remove dirt from different surfaces. This can be especially challenging when cleaning your car, as the paint is very sensitive to scratches. The 16L AVA Car Care Bucket ensures that the water stays clean; as the grid pushes the dirt under and prevents it from swirling back up. This way you prevent dirt from the water attaching itself to the sponge or cloth you are using; which can scratch the car. The AVA Car Care Bucket, has up to 60% less dirt above the grid, compared to a traditional grid bucket.	\$31.79	\$49.95
11-120-502	Water Filter	Protects the pressure cleaner from particles and dirt in the water, which ensures longer life for the machine. The AVA water filter is made from impact resistant aluminium and poly-carbonate. The filter cassette can be easily removed for cleaning.	\$15.24	\$23.95
11-120-503	AVA First Aid Kit	Small service kit that contains O-rings and O-ring fixer for AVA Male Bayonet System, O-rings for AVA Male hose quick connect and steel mesh for the AVA Foam Cannon.	\$15.24	\$23.95
All trade/dealer buy prices exclude GST. RRP (Retail) pricing includes GST.				

TERMS & CONDITIONS

TERMS: As per negotiated Dealer Terms, agreed by Masport.
NOTE: This pricelist supersedes all previous pricelists.
GST: All trade prices exclude GST. RRP (Retail) prices include GST.

- Subject to change without prior notice. Please note the RRP pricing in this pricelist is added as a guide for the buyer only. It is therefore 'recommended retail pricing' and Masport neither seeks nor attempts to control or set retail pricing of its products.
- Specifications and other pricing may be changed without the risk of Masport Ltd applying conditions of any kind.

GOODS RETURN POLICY

1. To request a return please contact Masport Customer Services for a copy of the Masport Goods Return Authority (**GRA**) form.
2. Approval **must** be obtained from Masport Customer Services before items may be returned for credit.
3. If **approved**, a Goods Return Authority Number will be issued and sent to the Retailer.

All items being returned for credit must firstly have an approved Goods Return Authority. Masport cannot accept any liability for products returned without authorisation.

Any requests for Items to be returned to Masport Ltd which are no longer required, incorrectly ordered, etc, **will only be accepted for return within 30 days from invoice date** and will be subject to a restocking fee as follows:

SPARE PARTS: 20% of net item value (minimum \$5.00 + GST)
FINISHED GOODS: \$75.00 per unit + GST (e.g.: Mowers, Garden Products). For Ride On Mowers please contact Customer Services
Please note an additional freight charge will incur.

OVERVIEW OF THE 'GOODS RETURN AUTHORITY' (GRA) PROCESS

Masport will issue a 'GRA Number' for the items approved for return.

The GRA Number **MUST** be quoted on all return documentation plus on the outside of each carton, with a copy of the GRA form attached to the outside of the carton.

Once the GRA Number has been notified, Masport Customer Services will advise return process e.g. whether it be Masport organising the pick up¹ or the Retailer to return themselves^{2,3}.

(1) **If Masport accept paying the freight costs** - Masport will need to know the number of cartons and weight of the cartons prior to organising the freight pick up. Masport will organise the freight pick up, and confirm pick up for Customer/Retailer. **It is imperative that - freight must be ready for collection when the carrier calls.**

(2) **If the return freight is at the Customer/Retailer cost** - Please immediately arrange for own carrier to collect and return the product. Masport cannot make arrangements on behalf of Retailers.

(3) Product that is returned without authorisation and/or the required GRA Number, will have a Restocking Fee applied. Masport cannot accept any liability for products returned without authorisation.

OVERVIEW OF THE 'GOODS RETURN AUTHORITY' (GRA) PROCESS continued

Outstanding GRA's

After 5 working days Masport will follow up any outstanding GRA's to assist in reducing delays. Delays in getting the returns back for credit is the Retailer's responsibility once the GRA has been issued.

The GRA Number is valid for 30 days after which time it will be cancelled if no pick up or return has occurred.

Warranty Replacement/Claims

These will be replaced or credited, after 'Masport Quality Control' or 'Technical Specialist' have checked that the claim is due to a Masport fault; rather than poor installation, handling fault, operator error or accidental damage. Warranty replacement product should be addressed back to Masport, with a clear indication on the outside of the carton that the items are for 'Warranty Replacement'. Once checked, and ascertained it is a Masport responsibility, a replacement unit, repaired unit or credit will be actioned. Damaged Stock or Faulty Product claims should not be mixed with good saleable product being returned for credit.

If in doubt or if there are any questions please speak to a Masport Technical Specialist or Customer Services.

Note: Warranty replacements MUST be clearly indicated to avoid any delays in processing a replacement.

Benefits of the system

- Enables the Retailer to have returns back to the Masport warehouse within one week and processed for credit within 7 to 10 days. (A correctly filled out GRA form eliminates waiting time.)
- Will ensure Retailers returns are processed and passed for credit with minimum delay.
- The system will also pre-warn Inwards Goods of product due for return to stock.

DAMAGED GOODS ON ARRIVAL

Claims for freight damaged item(s) will only be accepted if signed for as being received 'Damaged' at the time of delivery. The Dealer must contact Masport Ltd Customer Services immediately to advise so the appropriate action can be taken. A copy of the consignment note detailed 'Damaged' must then be forwarded to Masport Ltd immediately along with the request for credit.

Please note that no claim can be made if the consignment note is not signed 'Damaged'.

- Faulty items received will either be repaired or replaced at Masport's discretion and direction.
- All items being returned must be in original condition and packaging with the appropriate 'Goods Return Authority' (GRA) number clearly marked. **Your GRA number will remain valid for 30 days from the date of issue. Please return items to our designated warehouse within this timeframe.**
- Returned items must be returned with all parts and attachments normally included with the goods, or costs for these may be deducted and not included in the Credited Value.

OUT OF BOX FAILURE

Pertains only to Brand New items and not used. Please contact Masport Customer Services, they will then work through crediting the product. If the course of action is for the goods to be returned, then Customer Services will organise the return of the goods.

All used products must be sent to the nearest Service Dealer for repair under the Masport Warranty programme.

Note: Do not return parts via Post Office Box, please refer to the GRA form for the warehouse return address

Request for credit(s), other than freight damaged goods, must be made within 30 days of Invoice date.
